Culture Display Highlight—Dinner in a U.S. Home

The *Dinner in a U.S. Home* program provides an opportunity for international students to connect beyond the Texas A&M University campus. One of our goals in the International Student Services (ISS) Office is to help international students become involved with the community and learn about United States culture. The purpose of Dinner in a U.S. Home is to match international students with a host from the Bryan/College Station area. Through this informal program, students will be matched with hosts and enjoy a casual dinner together.

If you are interested in participating as a host, please go to the ISS website at <http://international.tamu.edu/iss> and fill out the application. The application can be found under the “Events” section on the ISS website. Once the application is submitted you will receive a confirmation email with further instructions. If you have any questions please contact ISS by telephone (979)845-1824 or e-mail at iss@tamu.edu.

Volunteer Recognized

Brazos Valley Worldfest planners are excited to announce that Kelley Nease has been selected as the Arts Council Volunteer of the Year!

Kelley has worked with Brazos Valley Worldfest since the first event in 2007 and has become a vital part of the planning. Kelley has chaired the vendor committee as well as volunteer committee for 2 years.

Kelley will be recognized at the Celebrating the Arts dinner on September 21. Congratulations!!

Call for Culture Displays

Visit <http://www.brazosvalleyworldfest.org/displays.html> to download the 2010 Brazos Valley Worldfest Culture display application. This is an opportunity for you as an individual or for your organization to share it culture and/or heritage with the approximately 9,000 anticipated attendees to the festival.

There is no charge for a display and a covered space with table(s) and chairs is provided. Deadline to submit is October 19, 2010.
